the new  
INTERNATIONAL  
LIMO

your dreams

## Our mission

Every single day we are requested to fulfil different travel needs either for personal or business purposes but, our sole goal is to exceed our client's expectations.

**Comfort, elegance, reliability, safety and dedication are the key of our job.**

# Company's profile

The New International Limo counts on +30-year experience in the chauffeur driven service segment along with its related services. The Company, a Venice based one, provides customized services in all main Italian cities with selected multilingual and professionally trained drivers as well as worldwide services through an highly qualified network.

One of the most important company's feature is our reservation center where a strongly selected team is at your disposal to fulfil any request in the best comfortable, reliable, safe and punctual way. No matter if it will be a personal or a business travel, our people person team will follow you, step by step, upon completion of the service.
